

Tradewise Insurance Company Limited

Fire, Theft and Malicious Damage Claims Fact Sheet – Spanish Policy

HOW TO MAKE A CLAIM – Complete and return the Claim Form. You can also request this online at www.tradewise.gi and we ask you to return it in a timely fashion so the claim can be validated for payment. *Please refer to Claims Condition (Applicable to all Sections), Claims Procedure, Page 9 of your Policy Booklet (version TW/AG September 2014).*

If you are limited to third party cover Tradewise will not be financially interested in repairs to your vehicle and will not be concerned in assessing any damage you may have. However, if you believe that someone else caused, or partially caused the incident you may be able to recover your costs from them or their insurance company. We recommend you check with your Broker if you paid for additional 'Legal Expense Insurance' as they may be able to assist you in pursuing your claim against the other driver involved, or we advise you to seek independent legal advice.

If you have vehicle damage that you want to claim for under the terms and conditions of your policy, please refer to the following steps. We generally do not need to wait for the claim form in order to arrange the inspection: -

1. **Call the Tradewise Claims Department in Gibraltar on (00350) 200 60068, or contact us locally on (0034) 951 25 57 71 for guidance. If you are calling from the UK you can also contact us on (0044) 0208 166 1311.**
2. **Arrange to book your car into a garage for estimate purposes only.**
(We will require the name, address, telephone number and booking in date so we can arrange for the engineer to attend your garage on the same day to discuss the damage – our engineer will need at least 48 hours notice so please call and make arrangements).
3. **Return the Claim Form, signed declaration (part F) and photographic identification for you and the driver who was last to use the vehicle prior to the incident taking place.**
 - **The Tradewise Claims Department will check the information provided against that on your policy record.**
 - **We may also have additional questions to ask so please respond promptly to ensure the efficient handling of your claim. This will ensure there is no delay in the authorisation of your repair damage, or total loss offer being issued.**

APPROVED REPAIRER IN ESTEPONA - We have selected this garage based on their high standards, equipment, skill level, quality and attitude. They will keep you advised on the progress until the repair has been completed. The benefits in using the Approved Repairer can be used as a menu driven option in order to create a bespoke service that matches your exact needs and claim requirements.

The repair process starts with you contacting the Approved Repairer: - **Premier Bodyshops Estepona SL trading as Premier Bodyshops**
Calle Juan de Herrera No 23 Poligono Industrial Estepona 29680 Malaga Espana
Tele +34 951 90 11 55 - Fax +34 952 80 53 13 Email: info@premierbodyshops.es

When you use our Approved Repairer you will be asked to sign the 'Authority to Conduct Work Form'. This authorises the Garage to start work on your vehicle (estimate / dismantling / repairs). Subject to cover being agreed by the company engineer employed by Tradewise will agree a method and cost with the garage and remains available for consultation should something change during the course of the process. Once the repair is complete the garage will then contact you to discuss collection of your vehicle.

TOTAL LOSS OF VEHICLE – We will write to you if our engineer deems the vehicle uneconomical to repair. Under the contract of insurance we have no interest in the salvage of the vehicle, which will remain your property. All salvage has a monetary value attached to it and the engineer will recommend a salvage value which will be deducted from any offer made for the total loss of the vehicle, subject to the terms and conditions of the policy being met. *Please refer to Section 2 – Loss or Damage, Page 3 of your policy booklet (version TW042 09/07) to clarify the terms and conditions of your contract.*

DO I HAVE TO PAY THE POLICY EXCESS? - The excess is the amount you have to pay in the event of a claim for your own vehicle damage. This is part of the risk that you accepted when you purchased the policy and represents the contribution you pay towards the vehicle damage, regardless of fault.

WHAT HAPPENS IF MY VEHICLE IS STOLEN AND UNRECOVERED?

INVESTIGATION OF THEFT CLAIMS – The Claims Department will require all documents and keys relating to the vehicle in question, as follows: -

- Original Vehicle Registration Document;
- Original Current MOT / ITV Certificate (or equivalent document);
- Driving Licence for both the policyholder and driver who was last in charge of the vehicle;
 - (if photocard we will require a copy of both sides of the card and the endorsement section).
- All Vehicle Keys;
- Purchase Receipt and Bank Statements showing relevant amounts withdrawn;
- Service History
- Recent Photograph (if available)
- Copy of Finance Agreement (if applicable)
- Photographic Identification for both the policyholder and driver who was last in charge of the vehicle;
- Copy of your "denuncia" to the police authorities;

To avoid any documents / keys going astray in the post please forward them by Recorded / Special Delivery and if you are unable to forward any of the above, please supply a written explanation.

In the event the police authorities recover the vehicle please contact our office to advise the extent of damage, if any, and the whereabouts of the vehicle in order that an inspection may be arranged (if applicable). Please do not assume any Storage Charges will be covered. Tradewise will only consider costs that we feel are reasonable, subject to your cover and indemnity being in order. Overall responsibility is with you to mitigate losses in the event of a claim.

Please remember that it is normal practice for an Insurer to fully investigate a claim. You must ensure that you are open and honest with us at Tradewise. If a claim proves in any way to be fraudulent, indemnity under the policy may be declined and criminal proceedings could follow. (Claims handling may vary depending on the Country where the incident took place).
